### CAREER

Jan 2016 – Present

Production Manager & Hourly Production

Whilst my children were still young, I set up Hourly Production which offered a service where as a PM I could be booked per hour, working remotely on bidding, research, pencilling, callsheets, support when shooting abroad - all production needs per hour. I've now returned to full time production managing though would still work the Production Hourly way if required.

Hourly Production - Rattling Stick, Caviar, Conde Naste, Tantrum, DED, Park Village and more.

2003 – 2011

Freelance Production Manager

Worked regularly for production companies including RSA Films, Black Dog, Rattling Stick, Gorgeous, MJZ, Knucklehead and more. Predominantly on commercials but also worked on music videos and various other idents, short films, band DVD's and pick up days on features.

Directors include Johan Renck, Dawn Shadforth, Jordan Scott, Ivan Bird, Sam Mendes, Susie Roberson, Mehdi Norowzian, Tony Kaye and Johnny Green

2000 – 2003

Production Assistant / Production Manager

MJZ London

Assisted setting up and launching MJZ Ltd London. Production assistant with various MJZ directors including Rocky Morton, Spike Jonze, Kuntz and Maguire, Kevin Godley - assisting on various commercials and music videos in the UK and worldwide. Moved on to become a production manager whilst at MJZ.

1995-2000

Personal Assistant / Production Assistant

The Artist Company

Receptionist and personal assistant to the MD at the Artist Company, I moved on to become a production assistant.
