I started work on Disney's remake of Cinderella, assisting David Barron and Ali Shearmur. At the end of principal photography pivoted to becoming an Assistant Director and spent 3 years on various sets. Cutting my teeth on some of the biggest productions worldwide gave a unique insight into filmmaking and was a brilliant education.

LOCATIONS

UK (London and surrounding areas, Scotland, Manchester, Eastbourne, Canvey Island and The Isle Of Sheppey), Middle East (Saudi Arabia inc Neom, UAE – Dubai, Abu Dhabi, Ras Al Khaimah, Oman, Jordan inc Wadi Rum), South Africa, Malta and Gozo, Spain (Barcelona and Madrid), Italy (Milan), France (Paris), Germany (Berlin), Czech Republic (Prague), Hong Kong, Istanbul.

SKILLS

Excellent people skills and creative problem solving abilities, and a positive attitude in all circumstances. The latest project Ive worked on was a 13 part TVC series shot over the course of 6 months with an enormous team, shot around the world. Also having produced and EP'd music videos for years Im well versed in dealing with tight deadlines and budgets. I pride myself in being able to think on my feet and am cool under pressure.
