

## Sam Linzell Production Manager

I've worked on many commercials gaining experience throughout a busy and successful career all the time building relationships with producers, directors, clients, crew and suppliers. Having been a HOP I'm happy and competent budgeting and pitching and often provide in house cover. I really enjoy Production Managing and I pride myself on always being positive, understanding the creative and not missing any of the details

### Freelance Production Manager

### June 2019 – present
