OTHER WORK

Voodoo **Production Assistant** **L'Oréal** **Commercial**

Supported Production to ensure 3 day service-shoot with 12 transport vehicles ran smoothly and efficiently, handling accommodation and travel needs of over 30 agency, client and visiting crew.

Somesuch **Production Assistant** **Bank of America** **Commercial**

Brought in to handle NDA's on heavily NDA'd job on the south coast. Also managed wrap out of beach location, involving large unit move to stadium.

V.be **Production Manager** **Slew - Talk 2 Me** **Music Video**

First time PM'ing, thoroughly enjoyed. Having just finished the APA Masterclass, felt as though had much more ability to accurately manage a tight budget to deliver a music video with such an incredible location. Dealt with crewing up, scheduling, budgeting and all the crazy challenges an on-the-fly music video has to offer.

Knucklehead **3rd AD** **Head and Shoulders** **Commercial**

3rd AD on 2 day London commercial. 12 talent, management from arrival to departure including working a staggered schedule to deliver with glam team on time.

Smith and Jones **Production Assistant** **Kayak** **Commercial**

Supported production over 3 day studio shoot. Prepped and delivered call sheets, child licenses, handled petty cash and catering.

Pretty Bird **Production Assistant** **Netflix** **Commercial**

Production Assistant for Netflix's "what's next" commercial. 14-day shoot, 3 weeks of prep prior, 3 weeks of filming and some wrap. Harnessed all aspects of my production ability, from runner management and kit hire through to call sheets, product decks and petty cash reconciliation.

Chief **Production Assistant** **Ben's Originals** **Commercial**

Prepped Ben's Originals commercial for chief, handling recce and shoot call sheets, location decks, venue hire and crew outreach. Learnt invaluable amounts regarding last-minute talent changes and the subsequent production protocol to rectify such problems.

Chief **Production Assistant** **Stagecoach** **Commercial**

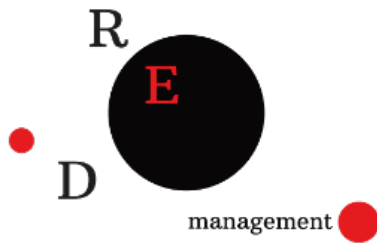

Prepped Stagecoach commercial for chief, managing child licensing and talent. Scheduled and saw through fittings and recce's, working closely with PM to deliver commercial whilst prepping next job concurrently.

Riff Raff **3rd AD** **M&S Christmas** **Commercial**

Developed a more comprehensive understanding of talent management, from arrival to departure and everything in between.

Plus Another One **Production Assistant** **75RUSH** **Documentary**

Got my first experience as a PA on this BFI-funded (and awarded) documentary, learning all aspects of junior production. Handled venue hire, petty cash, hotel booking, catering and transport logs. Thoroughly enjoyed, also realised how much there was to learn.
