Biography

I have worked in the film industry for over a decade. In this time I have been involved in everything from multi-million pound features and commercials to no-budget promos and shot in locations from the Scottish Highlands to the bush of South Africa.

My journey as an Assistant Director has led me to work with renowned clients such as Apple, Sky Vegas, Levi's, Barclays, the BBC, Canal+, Dove, AMEX, HSBC, Coach, VISA and Hawkestone... just to name a few.

I have also completed multitudes of music video projects for the likes of Madonna, Dua Lipa, Stormzy, Sam Fischer, 5 Seconds Of Summer, Royal Blood, Gang Of Youths, Oscar Jerome, Architects and WARGASM.

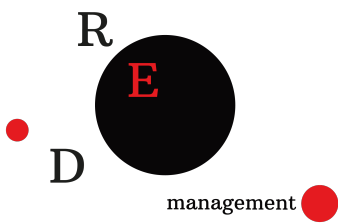

With a passion for Assistant Directing, I hope to be an integral part of your crew in the future.
